

Strathclyde Partnership for Transport (“SPT”) administers the ZoneCard on behalf of the participating operators (a current list of operators is available on spt.co.uk/zonecard).

This document (“ZoneCard conditions of purchase”) applies to your purchase of a ZoneCard ticket, using your ZoneCard and your rights regarding refunds.

Each public transport operator has their own conditions of carriage, or equivalent conditions, which apply to travelling on that operator’s service using your ZoneCard or any other ticket.

Where there is any conflict between the ZoneCard conditions of purchase, and a public transport operator’s conditions of carriage or equivalent conditions, in relation to a ZoneCard matter, the ZoneCard conditions of purchase will take precedence.

All ZoneCards are issued on the express condition that SPT is not responsible for any loss (including any loss of profits, loss of savings and/or any other indirect or consequential loss); damage (including, but not limited to, loss of, or damage to, your clothes, baggage and/or property); and/or death, injury, delay or inconvenience caused by or in connection with any defect in any vehicle used or travelled in using the ZoneCard, or through the negligence, wilful misconduct, strikes, or other acts, defaults, or omissions of any employee or contractor of the participating operators.

Operators and Services

Public transport operators who accept ZoneCards are listed on spt.co.uk/zonecard.

Services which are excluded from ZoneCard acceptance – such as certain rail or bus services – are also listed on spt.co.uk/zonecard.

It is your responsibility to review these lists before purchasing a ZoneCard to ensure that it is accepted by the operator that you intend to travel with and is valid on the service that you intend to use.

You may wish to contact a participating operator for information on the services that they offer before you buy your ZoneCard.

Local transport services supported by SPT are detailed on spt.co.uk.

Participating operators may introduce special offers or competitions for their customers. You should be aware that as a ZoneCard user you may not be eligible for such offers; this is at the sole discretion of the operator involved. Unless expressly stated, SPT is in no way involved in any such special offer or competition.

Zones

In the ZoneCard area there are over seventy available Zones. These are shown on the ZoneCard map which is available on spt.co.uk/zonecard.

You should buy a ZoneCard which covers all of the Zones you will need to travel in.

The minimum number of Zones you can buy is two. If you buy thirteen Zones or more, your ZoneCard automatically covers all Zones in the ZoneCard area (six Zones or more for Juvenile cards).

If your ZoneCard includes Zone G1 and/or G2, you can travel throughout Glasgow city centre, including travel anywhere on the Glasgow Subway. Please refer to the map on spt.co.uk/zonecard for more information.

If your ZoneCard includes at least three Glasgow Zones (from G1 to G8), you are entitled to travel in all Glasgow Zones.

In some special cases, travel through a Zone may be permitted without the Zone being purchased. It is your responsibility to check if any such special rules apply – see Appendix 1. Please contact us using the telephone number or email address below for more information on Zone-specific rules.

Buying a ZoneCard (first-time purchases)

If you are buying a ZoneCard for the first time you must do so at a staffed ScotRail station, or at other outlets which are detailed at spt.co.uk/zonecard and on the ZoneCard leaflet.

You must provide a colour passport-style photo for inclusion on your ZoneCard. This must show your head and shoulders, and must be a true likeness.

Adult ZoneCards are available for between 2 and 12 Zones, or for all Zones, and in the following durations:

- One week
- Four weeks
- Ten weeks
- Annual

Child ZoneCards are available to under-16s, for between 2 and 5 Zones, or for all Zones, and in the following durations:

- One week
- Four weeks

Proof of age will be required for purchase of a Child ZoneCard. A passport or a Young Scot card will be accepted as proof of age.

ZoneCard validity always starts on a Sunday. You can buy a ZoneCard on a Saturday to start the following day.

Purchase Day	ZoneCard Start Day
Saturday	Following day (Sunday)
Sunday	Same day (Sunday)
Monday - Friday	Previous Sunday

Current ZoneCard prices are shown on spt.co.uk/zonecard. If you have any questions about the Zones you need to purchase, please contact us by phoning 0141 333 3758 (Mon – Fri 9am to 4pm), or by emailing zonecard@spt.co.uk.

Renewing an Existing ZoneCard

You can renew your ZoneCard at a staffed ScotRail station. You can also renew for one or four weeks (subject to availability), at a number of other retailers which are listed at spt.co.uk/zonecard.

You can renew an existing ZoneCard at a staffed ScotRail station or other retailer **from the Thursday before the expiry date of the ZoneCard**.

You can also renew your ZoneCard online at <https://zonecard.online/>. Online renewals should be purchased **before 15:00 on the Wednesday before the expiry date of your ZoneCard**. This allows time for your ticket to be posted out.

Using a ZoneCard

A ZoneCard is comprised of two parts, a Photocard and a travel ticket.

A ZoneCard is only valid for use where the travel ticket displays the same serial number as the Photocard.

A ZoneCard is only valid for travel in the Zones which are listed on the travel ticket.

The number of Zones in the “Zones Charged” box on the Photocard must match the number of Zones stated on the travel ticket.

A ZoneCard may only be used by the person represented in the Photocard.

Using a ZoneCard on the Subway

If you want to use your ZoneCard on the Subway, it will need to be enabled for the Subway smart ticketing system. Simply bring your ZoneCard to any Subway ticket office for validation. Your ZoneCard must be revalidated at a Subway ticket office every time it is renewed. Once this is done, simply present your ZoneCard at the ticket gate to access the Subway.

Using a ZoneCard at ScotRail Ticket Gates

If you will be travelling by train and using a ScotRail station with ticket gates, you should buy your ZoneCard at a staffed ScotRail station. You will be provided with a travel ticket which can be used on the ticket gates.

ZoneCard Refund and Replacement Policy

Your ZoneCard allows you to travel on buses, trains, Subway and ferries operated by a number of different operators. The revenue from all ZoneCard sales is divided between these operators, all of whom have different refund policies. A specific ZoneCard refund policy is therefore required.

Lost or Stolen ZoneCards

We will not be responsible for and cannot provide a refund or replacement for a lost, stolen or destroyed ZoneCard. This is because the original ZoneCard could still be in use, meaning two ZoneCards are being used but only one has been paid for.

SPT recommends that you consider insuring your ZoneCard. SPT are not able to provide advice on insurance products; you should obtain independent advice from a suitably qualified advisor.

All customers are encouraged to write their name and contact details in the space on the back of the Photocard. This may help your ZoneCard to be returned to you if it is lost.

Annual ZoneCard Registration

If you have an annual ZoneCard, you can register it with SPT. This means in the event of your annual ZoneCard being found and returned to SPT, we will be able to send it on to you. To register, you can email your ZoneCard photo ID number, name and address to zonecard@spt.co.uk. Please note registration is only available for **annual** ZoneCards.

Refunds on Remaining Weeks

If you no longer require your ZoneCard we can refund the value of any remaining whole weeks. This will be subject to an administration charge of £3.00.

To obtain a refund you should post your ZoneCard including the photo ID part to: *ZoneCard Team, SPT, 131 St Vincent Street, Glasgow, G2 5JF.*

ZoneCard refunds can only be provided for complete remaining weeks. This means that in order to provide a refund, SPT require:

- The ZoneCard in our possession before the start of the week in question; or
- Proof the ZoneCard was posted to us before the start of the week in question.

Please note ZoneCard week runs from Sunday to Saturday.

If you have any questions about this - please phone to discuss: 0141 333 3758 (Mon – Fri 9am to 4pm)

Refunds for Travel Disruption

Refunds will not typically be issued by SPT for disruption to travel. Any claims relating to travel disruption should be addressed to the specific transport operator involved in the first instance. Refunds will only be considered by SPT in extreme circumstances, and any consideration and decision in relation to such a request shall be subject to the agreement of the participating ZoneCard operators.
